

# BELIZE™ BEA SERIES CHAIRS

Cast aluminum base/concave seat/backrest with lumbar support.

Belize chairs are recommended for the following environments: industry, education, laboratory, clean room, static control, healthcare and office.

Each chair in this series features a different base to meet varied environmental and budget demands. Concave seats, contoured backrests with lumbar supports are standard. Customize by selecting from a wide variety of options, upholsteries or performance packages.

## STANDARD FEATURES

**Backrest:** 15.5" wide x 14.5" high, lumbar support, plastic protective panel.

**Seat:** Concave, 18.5" wide x 16.5" deep x 3" thick with internal seat board bumperguard.

**Controls:** Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 3.5°, backrest tilt, backrest-height adjustment.

**Base:** High-profile, Euro-style cast aluminum base with 25.6" diameter; T-shape construction provides added strength and facilitates easy cleaning.

**Casters and Glides:** Dual-wheel, non-marring polyurethane casters resist movement when the seat is unoccupied.

**Fire Retardant:** Meets California Technical Bulletin 117; treatment to meet CAL 133 is available as an option.

**Upholstery:** A wide range of vinyl and fabric upholstery options are available to meet your needs.

**Metal Parts:** Belize BEA Series chairs have a black powder-coated finish as standard or a chrome-plated finish when specified with a C option code (aluminum base has a polished top with the C option).

**Warranty:** 13 years.

Shown with optional chrome plated metal parts.
