

BELIZE™ BES SERIES CHAIRS

Tubular steel base/concave seat/backrest with lumbar support.

Belize chairs are recommended for the following environments: industry, education, laboratory, clean room, static control, healthcare and office.

Each chair in this series features a different base to meet varied environmental and budget demands. Concave seats, contoured backrests with lumbar supports are standard. Customize by selecting from a wide variety of options, upholsteries or performance packages.

Model shown with optional chrome-plated metal parts.

STANDARD FEATURES

Backrest: 15.5" wide x 14.5" high, lumbar support, plastic protective panel.

Seat: Concave, 18.5" wide x 16.5" deep x 3" thick with internal seat board bumperguard.

Controls: Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 3.5°, backrest tilt, backrest-height adjustment.

Base: Rugged 5-legged tubular steel base with 23" leg spread and 21" diameter attached footring.

Casters and Glides: Dual-wheel, non-marring polyurethane casters resist movement when the seat is unoccupied.

Fire Retardant: Meets California Technical Bulletin 117; treatment to meet CAL 133 is available as an option.

Upholstery: A wide range of vinyl and fabric upholstery options are available to meet your needs.

Metal Parts: Belize BES Series chairs have a black powder-coated finish as standard or a chrome-plated finish when specified with a C option code.

Warranty: 13 years.
