

Shown with optional chrome plated metal parts.

# UNIQUEU™ UUW SERIES CHAIRS

Polished wide aluminum base/ribbed, self-skinned urethane seat and backrest combination.

UniqueU UUW Series chairs are recommended for the following environments: industry, education, laboratory, clean room, anti-static and healthcare.

Molded self-skinned urethane seats and lumbar-supporting backrests are easy to wash down and resist damage from water, lubricants, chemicals, inks, paints, coatings and resins. Customize by selecting from a wide variety of options or performance packages.

## STANDARD FEATURES

**Backrest:** Self-skinned urethane with integral lumbar support, 16.5" wide x 12.5" high with 0.09375" ventilating ribs.

**Seat:** Self-skinned urethane, 18.5" wide x 17" deep x 1.5" thick with waterfall front, shaped rear edge and 0.09375" ventilating ribs.

**Controls:** Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 3.5°, backrest tilt, backrest-height adjustment.

**Base:** High-profile, polished wide aluminum base, 28.7" diameter; European-look delivers impactful aesthetic and T-shape construction provides added stability.

**Casters and Glides:** Dual-wheel, non-marring polyurethane casters resist movement when the seat is unoccupied.

**Metal Parts:** UniqueU UUW Series chairs have a black powder-coated finish as standard or a chrome-plated finish when specified with a C option code

**Warranty:** 13 years.
