

# Rail Hanging Systems

storage bins, racks & hanging systems

- Rail Hanging Systems allow for fast, easy organization and parts retrieval
- Single-sided rail units are ideal for placement against a wall to save space
- Double-sided rail units can “float” in any room environment and be picked from both sides
- Mobile Kit available to mobilize two-sided racks
- Steel rail is ideal for workstations
- AkroBins sold separately

## features

Rails securely support AkroBins
