

FLIPAK® CONTAINERS

Distributed by: Custom Equipment Company
For more Information call: 866-333-0728

Healthy and Beauty Care ■ Pharmaceuticals ■ Periodicals ■ Apparel ■ Automotive Aftermarket ■ Hardware

The FliPak family offers more than 20 container sizes with attached hinged covers that prevent expensive loss of product. These containers stack when closed or nest when open to provide the most efficient use of available space on the manufacturing floor, in the warehouse, inside a truck trailer or in the back room of your retail outlet.

Reusable for over 250 trips, FliPak containers provide an excellent return on investment. Applications include health and beauty aides, pharmaceuticals, general merchandise, soft goods, fasteners, jewelry, office products, tapes and CD's, automotive parts, tobacco product and packaged grocery items. Multiple accessories and identification options are available, such as hot stamping, card holders, placards and dollies.

Molded-in 1/4" or 3/8" diameter reinforced holes for standard security ties or padlocks

Closed pocket handgrip limits product loss and provides convenient grasp and release.

Cover recessed within the perimeter of container to protect against cover breakage while conveyed or shipped.

Quick-release label area on attached hinged cover and ends for easy reading and quick label exchange.

Want to reduce your distribution costs? Talk to your ORBIS Sales Representative about Engineering Services to identify your needs and design a reusable packaging program to add efficiency to your entire system. See pp. 1-2 for more information.

HAND-HELD CONTAINERS

Heavily reinforced hinge elements reduce breakage and cracking.

NEW FP171 optimizes outbound trucks with more stacked containers per 53' trailer. Inside product clearance allows more product per container.

With shorter nest stop and narrow gull wing span, more empty containers can be stacked in a standard 53' trailer for inbound trips.

FliPak® Specifications All dimensions in inches, unless specified.

* Bi-color FPN containers are available. (Different color base and covers.)
Please contact your ORBIS Sales Representative for additional information.
** When floor loaded, 6,160 containers fit in a 53' trailer.

Versatile Bottom Styles to Meet Your Application Needs

Three container bottom styles are available for a variety of conveyor systems in today's high-speed distribution operations.

Solid Bottom

Drain Hole Bottom

Plus-Grid™ /Vented Bottom

21" X 15" FLIPAK CONTAINERS

The 21" x 15" family of FliPak® containers are used in distribution applications such as health and beauty aids, pharmaceuticals, grocery, periodicals and general merchandise. These containers stack five up on a 40" x 48" pallet and six up on a 45" x 48" pallet.

FliPak® Specifications All dimensions in inches, unless specified.
