

## Efficient Light to Medium Duty Storage

Clearly and efficiently organize your light to medium duty items with the KeepBox. Featuring an attached lid that keeps contents free of dirt and debris while never worrying about a misplaced lid. To maximize your space, the KeepBox is nestable when empty and is stackable when the lid is securely closed.

## Store It with the KeepBox

### Features:

- Secure storage keeps your items free of dirt, dust, and debris.
- Nestable when empty, stackable when full and lid is successfully closed.
- Available with hanging rails for file storage.
- Clear sides allow for easy identification and labeling.

**Move it.**

**Store it.**

**Organize it.**
