PRODUCT APPLICATION SHEET

40 x 48 Stack'R HD Solid Deck

The 40 x 48 Stack'R HD Solid Deck Pallet is designed for racking.

It is manufactured of Polypropylene and will edge-rack up to 2000 pounds. The smooth, non-porous construction protects product (no nails, rust or splinters) and does not absorb moisture or odor. Its all-plastic construction ensures dimensional consistency and repeatable performance during its entire service life. The solid deck creates an alternative hygenic solution for customers who do not have pallet washers. Available in blue. NOTE: Pictured with optional stringer.

BENEFITS

- Manufactured in Polypropylene (PP)
- FDA-approved material (standard)
- Optional metal and x-ray material available
- Lower per-trip cost than alternative pallets
- Versatile handling, with 4-way hand and fork truck entry
- Easy cleanability in any application
- Lighter weight for better ergonomics
- Hand holes for easy lifting
- Higher truckload quantity (510pcs)
